Welcome to the new feature this month: -

***** The A B C of Dog Training *****

- A - Agility** Great FUN for you and your dog.
- Age** We are never too old to learn
- Adolescent** Remember dogs go through this
- Accuracy** Very important before speed
- Attention** No attention No Response
- Active** Keeps you both young at heart
- Ability** Whatever your and your dogs ability
you can still have FUN!

Just a few words to help in your training.

Agility helps keep you and your dog active.

Age is important—from young puppies, through adolescence to maturity to old age we must always do the best for our dogs. Do NOT over exercise young or old dogs.

Accuracy and attention help in our dogs behaviour.

Ability plays a very important part—understand you and your dogs ability before trying anything too strenuous.

Remember ENJOY your relationship with your dog!

Patchwork Training Where Learning is FUN!

Patchwork Purple Paws – generally known as Mister Kai

Hi my name is Mister Kai, Kai to my friends. I am nearly 4 years old, am an extremely handsome black and white border collie and very good at agility, and now getting good at Rally.

We went to a Talking Dogs Rally Trial day and had a fabulous time. I went with my new friend Logan. We could not enter properly as the event had closed by the time we knew about it.

So we did the next best thing and had a go in the 'have a go ring'. Do not know what all the fuss is about both myself and Logan went round as if we had been doing it for years.

It was such good FUN that we each had three goes, just to make sure that we got it right. We are actually entered into a proper Rally in June so I had better be on my best behaviour. We keep practicing every week.

Marianne is taking classes on Tuesday evenings for Talking Dogs Rally at Wollaston and teaching everyone all about the signs that we need to learn. Some are quite easy but then others are difficult until you get used to them. For those of you who cannot make Tuesday evenings then there are now classes arranged for the weekend. So just ask and we will fit you in.

We have great fun at classes so I look forward to meeting you all, but if you want to see me have a look at my photo on the Patchwork Training website.

A chap needs his rest what with agility classes, competitions and Talking Dogs Rally seminars I need a lie down. See you next month.

Woof woof—Kai
