### **Patchwork Purple Paws – generally known as Mister Kai**

Hi my name is Mister Kai, Kai to my friends. I am just over 3 years old, am an extremely handsome black and white border collie and very good at agility. My obedience is okay but I could do better. You will perhaps meet me in class as I sometimes attend so that I can demonstrate, (show off really).

I am ready to begin competing at UK Rally. Have had a little taster at competing and it was really good fun. If you would like your handler to bring you to UK Rally lessons then get them to talk to Marianne who will arrange it for you. You never know you could be competing against me, which would be great. I can attend the lessons with you and show you how to do it.

Another great class is the click 'n trick class. This is good fun as you learn how to do all sorts of new things. I learnt how to 'hide' I lay on my side and put both my front paws over my nose. Everyone thinks this is really good. Also I can twist, do circles, weave in and out of legs, walk backwards. Is there no end to my talent?

All dogs can learn these things, it just takes a little time and patience, oh and lots of treats!!!

Puppies can come to class as well but they need to start off doing the basic things like sit, wait, down, how to walk properly on a lead and all those things.

We have great fun at classes so I look forward to meeting you all.
